

# Sensational Octopus & Turtle Class

**Music**

- How we can create and remember a sequence of sounds
- How composers have used music to represent characters and places
- How we can create our own music to represent a character and a place

**Art**

- About different artists and how their work appeals to our senses
- How colour, pattern and shape can be used to appeal to the senses
- How can you make a 3D model of their face showing a particular emotion.
- How we can create our own art to show what we have learnt about the senses
- About optical illusions and how we can fool the senses
- How to make our own optical illusion

**Science**

- About our senses and how we use them
- What happens when we are deprived of our senses
- How sound travels and how our senses of taste and smell are connected

**International**

- How we experience and remember places through our sense of smell, taste, touch, hearing and sight

**Technology**

- How to make a fruit salad by exploring taste, colour and texture

**Additional Experience**  
Trip to Farmer Gow's to explore our senses.

I would like to find out .....
