Hand in Date: Tuesday
24th January 2012

Numeracy

Mr Harris / Mrs Oakley:
Complete the word problems as best as you can.

Mrs Acres
To complete the problem solving sheet.

Literacy

Mr Harris / Mrs Oakley:
Write a diary entry for a ship's captain. Think about what problems they may have had over the day and things they may have to address over the next few days (storms, rations running out, mutiny) . Make sure you write in the past tense, 1st person and that you include a range of exciting sentences.

Mrs Acres
To write a diary about your weekend. Don't forget to include adverbs and adjectives.

Topic

Find examples of the forces we looked at this week at home or in every day life.
The forces are: Gravity, Centrifugal force, Up thrust, Friction, Pulling force and Pushing force.

Reminder:

We know what you are able to do as an individual in the time you have to complete this home-work. Please do not hand in work below our expectations. If you are unsure about anything, please check with a teacher well before the deadline.
