

## Literacy

Mrs Osborne's Literacy - tell me about your favourite story book. I would love to know why it is your favourite book and what you think of the author. You can present your ideas in your own way but ensure you are showing off your literacy skills.

## Mrs DeWolf's Literacy -

As above - make sure you really show off your skills!

## Numeracy

### Mrs DeWolf's Numeracy -

Please show me the pairs of numbers that add together to make 10.

### Mrs Osborne's Numeracy-

In class we are looking at 'Following a line of enquiry.' See if you can carry out your own research by asking a question and then present your results as tally chart and bar chart.

Don't forget to keep playing games on education city.  
We love to track what you have played!

## My Homework

Due in on Tuesday 6<sup>th</sup> March 2012

## Topic

Ask the children to imagine they have a time machine! This time machine is able to transport them from one place in history to another but it cannot help them change their age!

The children should find out about the clothes children wore by visiting different times in history. They can use history books, famous paintings, and the Internet to help with their research.

Here is a useful starting website.

**[www.localhistories.org/clothes.html](http://www.localhistories.org/clothes.html)**

## Spellings

Year 1 - See weekly spelling books for key word spellings.

Year 2 - See spellings books for **weekly** spellings.

**SPELLINGS TO BE TESTED ON MONDAYS**

(please ensure books are in school everyday)
